

*** NEWS * NEWS * NEWS * NEWS * NEWS ***

Dear Dive Buddies!

We have not been lazy since our last news letter in May, and therefore would like to update you about the things which happened.

Changes have occurred...

... So let's start from the beginning :o)

The team:

A lot of you have probably followed the beautiful wedding from Hussein and Tina on Facebook.

Hussein – who has been a fixed part of the Blue Brothers team for many years, will board a plane to Norway beginning of December.

We will definitely miss his funny, team orientated and easy character in our centre. We dearly wish him all the best and success for his future in Norway and we hope that he does not forget to pack some of the warming Egyptian sun in his suitcase – it's going to be freeeeezing!!!!

When one is leaving, another one follows.

Amr is supporting our team since the 15th of October.

Amr, who has been working as a PADI diving instructor in several diving centers in Hurghada and El Gouna and is, with his calm and patient way, a great asset to our centre.

We are very happy that he is now a part of the Blue Brothers family.

Of course **Wael**, **Moustafa**, **Mahmoud** and **Sandy** are still in the house and can't wait to see you all soon in sunny El Gouna!

The BOOT-Fair 2012:

As every year, the Boot fair in Düsseldorf/Germany will open its doors again. This year the spectacular event will take place from the 21/01/2012 to the 29/01/2012.

Tom, Traudel and Sandy are looking forward to welcome you there and to have a chat and a nice cup of coffee or a glass of sparkling wine together. To find our location there have a look to our web site www.bluebrothersdiving.de

Don't miss the chance to profit from our fantastic BOOT-offer!

Like every year, we offer our great **Fair-Specials!!!**

5-days diving package for only €200,--

6-days diving package for only €225,--

On spot the usual surcharges like reef tax of €2,00 per person and day and the boat charge of €3,00 per person and day will apply.

In order to benefit from this special offer, the packages need to be paid latest by the 15/02/2012.

The Blue Brothers Safari:

Like every year, the brilliant "Brother Islands" Safari trip on the "Independence 2" with Tom & Traudel will take place on the 24th of November.

Who would like to join us on the coming Safari trip in 2012, can get all necessary information on the BOOT. You can also book the safari directly there with Tom, Traudel or Sandy.

Brand new – Gift vouchers!!!

We all know the problem – which present do you give to someone, who already has plenty of ties, books and perfumes?

We have THE solution for you! ☺

Simply send us a mail stating for which occasion you would like to make someone really happy, the name of the lucky person and which amount you would like to spend. We will then send you a mail with the voucher and you transfer the stated amount before the journey on our account.

Thanks for this great idea, Andrea and Karsten!

Diving:

Since the beginning of October one of our favorite dive sites really holds, what it promises:

Dolphin House

At least on every second trip we get to see Dolphins! We will certainly try to maintain this level ☺ ☺ ☺

Adventure Dives:

The adventure dives which we have mentioned on our last news letter proved to be a great success.

Especially appreciated among our guests are the training dives Night and Deep. Thus, we have crowned Moustafa to the "King of the night" ☺

Many of our newly certified Open Water Divers use the adventure dives as credits to their next step on the diving ladder – the Advanced Open Water Diver! Another advantage is that they are able to check out the deeper part of the reef up to 30m. How cool is that?

Until we meet again, the Blue Brothers team wishes all of you a merry Christmas, a happy new year and all the best for the coming time!

Take care and see you soon in El Gouna

Sunny greetings and let there be bubbles!

Tom and his Blue Brothers
